The 2020 Trail of Terror is Canceled

SHAKOPEE, Minn., (September 29, 2020) – Despite months of planning and endless requests to open, the largest Halloween event in the Midwest will not be held in 2020.

We have been working hard and doing everything we can to prepare for the 2020 Trail of Terror, but we determined that a venue like ours could not be compliant with the State's current requirements for outdoor events taking place this October.

We will continue to have the Phantom's Feast taking place October 16-17, 23-25 & 29-31. Phantom's Feast details can be found at: www.trailofterrormn.com/phantoms. The extremely popular Festival on Parade at the Minnesota Renaissance continues through October 18. Festival on Parade details can be found at www.renaissancefest.com/parade.

Thank you for your understanding during this challenging time. Our hearts go out to everyone affected by COVID-19.

Additional information will be available on our webpage in the coming weeks with links to questions and answers and news about 2021.

We are looking forward to all of the freights we'll scare up in 2021.
